

# Racing Experience

## ***Hamilton Island Race Week***

**Runs in August each year  
25th to 29th of August in 2009 &  
20th to 29th of August in 2010**

Join us for this very special event which only comes around once a year.

We've all done it, watched in awe as those powerful maxi yachts racing across the oceans... stop wondering and make the dream a reality, in the relative calm of the Whitsunday's!

Join us aboard one of our famous Maxi Yachts, living on board the yacht berthed in Hamilton Island Marina, enjoying the festival atmosphere by night, and joining in the racing of this world class event by day.

- 9 Nights live aboard the yacht
- 9 Breakfasts and Lunches
- Race Week Entry Fees
- All Marine Park Charges
- \$1990

These yachts can be privately chartered for Corporate Events or for a group of friends.

Speak to your agent, regarding other regatta's which are available on our schedule.

***This is a great gift idea  
for someone special!***
